

Your invoices are now delivered by email to you. It's as easy as 1,2,3 print

Receive an email from WinWholesale:

1. Click on the View a single PDF.
2. Enter your User and Password.
3. All your daily invoices will be displayed in one PDF so you can print them all.

It's as easy as that!

As a reminder we stopped mailing invoices January 1, 2010

You no longer have to log into My Win Account and check the invoices you want to print. But you still can access My Win Account like before to search old invoices, and print invoices you are missing, etc. Statements online in coming the first part of the year.

Other wholesalers attach a PDF to your email, we understand this. But WinWholesale's approach is the same that other consciences industries use for security reasons. This is why My Win Account website is being designed from your input and with your security in mind.

We understand this is a change in the way you receive your invoices from us. So if you need any help in the sign up process please contact Gene or Brian.

One time sign up:

You will need a valid invoice dated after 01/01/09 and the following information:

- Invoice number
 - Invoice amount
 - Customer number (307-xxxxxx)
1. Go to www.denverwinair.com and click on the **Customer Corner** button.
 2. Click on the **My Win Account** button.
 3. Then click on the **Register Here** link.
 4. Enter the invoice number, customer number, and amount. You'll be prompted to set up a user and password. (only one user can be set up at this time)
 5. You will then be prompted to submit a valid email address and set up a security question.
 6. Finally an email will be sent to you at the address you submitted with a link to finish your registration and log on.

**Remember to set up the E-mail notification on the Alerts tab
so you receive an email when new invoices are available.**
