<sup>1</sup> Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at [americanstandardair.com](http://americanstandardair.com) or by phone at 855-260-2975, otherwise American Standard Heating & Air Conditioning's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on [americanstandardair.com](http://americanstandardair.com). Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply. Product Registration and Registration Transfer exclusions vary in the US from state to state and in Canada from province to province. To determine if there are specific exclusions for your state or province check your local laws.

**AIR CONDITIONERS****AIR CONDITIONERS**

Ameristar® air conditioners are a perfect match for all types of residences, equipped with high-quality components and available in a range of cooling capacities. With our budget conscious units, you can be confident that you and your family will be cool, comfortable, and dry even on the hottest and stickiest days.

**HEAT PUMPS****HEAT PUMPS**

Durable and efficient Ameristar® heat pumps fit right in with today's trend towards electrification, and offer an energy-efficient, cost-effective solution to keep your home comfortable in every kind of weather.

**FURNACES****FURNACES**

Ameristar® furnaces really turn on the heat, streaming warmth throughout properties of any size or configuration. Rest assured, you won't find systems anywhere else with this level of quality construction, reliability and efficiency at the same price point.

**AIR HANDLERS****AIR HANDLERS**

Whether your property is a single-family home, condo, or apartment, Ameristar® air handlers flex to meet your needs. They're easy to install, adapt to a variety of applications, and will deliver comfortable air quietly, efficiently, and affordably.

**COILS****INDOOR COILS**

Since what's on the inside is what counts, our all-aluminum, Ameristar® indoor coils stand up to year-round use. They suit a variety of residential situations and budgets. Plus, they are engineered to excel with long-term performance and efficiency.

**PACKAGED UNITS****PACKAGED UNITS**

Ameristar® packaged units don't just create whole-home comfort, they save on space by housing the heating and cooling equipment within a single outdoor cabinet. Installation is a snap for new homes as well as replacements for aging or non-repairable systems.

**DUCTLESS****DUCTLESS SYSTEMS**

Ameristar® single and multi-zone ductless systems are an ideal choice for efficiently heating and cooling living spaces without a ducted system, like a garage, sunroom or attic, or where the main system lacks capacity to expand. In more mild climates, our durable and efficient Ameristar heat pumps offer a cost-conscious solution to keep you comfortable year-round.
