

A CLOSER LOOK INSIDE THE AMERICAN STANDARD SILVER 16 LOW PROFILE SIDE DISCHARGE

American Standard[®]
HEATING & AIR CONDITIONING

Weatherguard[™] Zinc Coated Fasteners for corrosion resistance and longer life because even minor details are what American Standard is all about.

Integrated Fan System with its unique leading edge swept blade design improves airflow, enhances performance and reduces sound levels.

Coil with refrigeration grade copper tubes and enhanced aluminum fin surface maximizes heat transfer.

Single panel control compartment allows easy access to controls and reduces operating sound.

Duration[™] Compressor is the heart of the American Standard technology and comes with a 10-yr registered limited warranty.*

Super Durable Powder-Paint Finish is virtually indestructible for maximum protection against corrosion and rust.

All Silver 16 low profile side discharge units have a 10-year registered limited warranty on the compressor, outdoor coil and all other internal functional parts and a 5 year base warranty on the compressor, coil and all other internal functional parts.

*Registered Limited Warranty terms are available when you register within 60 days of installation. You can register online at AmericanStandardA/C.com or by phone at 800-554-6413, otherwise American Standard's Base Limited Warranty terms will apply. Base Limited Warranty information on specific products can be found on AmericanStandardA/C.com. Ask your dealer for full warranty information at time of purchase. Warranties are for residential and multi-family use only, some exclusions may apply.
