HEATING & AIR CONDITIONING

## HYBRID SPLIT SYSTEMS

# ONE ECONOMICAL SYSTEM THAT BLENDS TWO SMART TECHNOLOGIES.

American Standard® Heating & Air Conditioning hybrid split systems deliver maximum efficiency and cost savings by combining an electric heat pump with a gas furnace.

Variable-Speed Comfort		2-Stage Comfort		Single-Stage Comfort	
	<b>PLATINUM 20 HEAT PUMP*</b> Up to 20.50 SEER2† 12.70 EER2† 9.0 HSPF2†**		<b>GOLD 16 HEAT PUMP</b> Up to 16.20 SEER2† 12.60 EER2† 8.10 HSPF2†		<b>SILVER 15 HEAT PUMP</b> Up to 16.0 SEER2† 12.60 EER2† 8.10 HSPF2†
	<b>PLATINUM 95 GAS FURNACE</b> Up to 97.3% AFUE		<b>S9V2-VS GAS FURNACE</b> 97% AFUE		<b>S9X1 GAS FURNACE</b> Up to 96% AFUE

Select models include innovative American Standard Link technology, which uses Bluetooth to communicate between system components. Simply opt in through the American Standard Home app to have your system's data remotely monitored for even the slightest system changes—letting you relax and enjoy the exceptional comfort your variable speed system provides.

## WHAT IS SEER2?

Seasonal Energy Efficiency Ratio (SEER2) is an air conditioner's efficiency rating, similar to the miles per gallon for your car.

## WHAT IS HSPF2?

Heating Seasonal Performance Factor (HSPF2) measures heat pump efficiency during the heating season. The higher the number, the more efficient the unit.

\* American Standard Link enabled  
\*\* ENERGY STAR® qualified system ratings available for select models.  
† This product is rated as SEER2, HSPF2 and EER2 to align with the 2023 Department of Energy regulations.

## AWARD-WINNING EXCELLENCE.

2022

### Top Tier Owner Satisfaction for Gas Furnaces

"National Product Testing and Research Magazine"

In 2019 and 2021 Summer Surveys of 36,348 gas furnaces, owned by members who purchased a new gas furnace [unit] between 2005 and 2021, American Standard gas furnaces were rated Top Tier in Owner Satisfaction.

### Top Tier Owner Satisfaction for Heat Pumps

"National Product Testing and Research Magazine"

In 2019 and 2021 Summer Surveys of 13,458 heat pumps, owned by members who purchased a new heat pump [unit] between 2005 and 2021, American Standard heat pumps were rated Top Tier in Owner Satisfaction.

### Top Tier Reliability for Heat Pumps

"National Product Testing and Research Magazine"

In 2019 and 2021 Summer Surveys of 13,458 heat pumps, owned by members who purchased a new heat pump [unit] between 2005 and 2021, American Standard heat pumps were rated Top Tier in Reliability.

2021

### Top Tier Owner Satisfaction for Central Air Conditioning

"National Product Testing and Research Magazine"

In a survey based on the proportion of members who are extremely likely to recommend their central air conditioning system to friends and family found American Standard Central Air Conditioning Systems' to be Top Tier in 2018 and 2020 Summer Surveys of 23,997 central air conditioning systems, owned by members who installed a new system between 2005-2020.

# WE OBSESS OVER IT SO YOU DON'T.

For over a hundred years, we've made some of the most awarded, well-engineered heating and conditioning equipment, and earned a reputation for doing things ...right. And through it all, we've followed a pretty simple idea: "A Higher Standard" isn't just how we build our products. It's how we build our relationships with the customers who depend on us every single day.

## A CLOSER LOOK

### American Standard Heat Pump\*

Works as an air conditioner when the weather's hot, then runs in reverse to provide heat when it's mildly cold. Our exclusive Duration™ variable-speed compressor and Spine Fin Coil™ provide efficient year-round performance.

### American Standard All-Aluminum Indoor Coil

Aluminum tubes provide durability and protection against rust and corrosion, while 100% foil-backed insulation ensures quiet operation.

### American Standard Gas Furnaces

When temperatures drop below freezing, the gas furnace automatically kicks in to provide additional warmth. This component also serves as your home's air handler, evenly delivering cooled and heated air every month of the year.

### American Standard Link UX360 with system controller

Upgraded look with white bezel. Improved user interface with touch screen for easier interactivity. Works in conjunction with the American Standard Link system components to enable centralized decision making, self-configuration, improved accuracy, enhanced dehumidification, and enhanced maintenance of the HVAC system operation.

## PERCENTAGE ANNUAL SAVINGS VS. 10+ YEARS OLD A/C AND FURNACE\*

\*The above example is based on weather conditions in Chicago and average national heating and cooling costs. Potential energy savings may vary depending on your lifestyle, system settings, equipment maintenance, local climate, home construction and installation of equipment and duct system. To find out how much you can save on heating and cooling costs in your area, ask your dealer for details.

### COMFORTABLE. RELIABLE. EFFICIENT.

Optimize the comfort and efficiency of your home with the American Standard Home smart comfort system. The American Standard Home mobile app gives you remote access to your HVAC system through your connected American Standard smart thermostat. Adjust your temperature, set your schedule, and view your HVAC usage from anywhere.

American Standard Home connects to your American Standard HVAC system to provide you with remote control and diagnostics. To view additional integrations and subscriptions, visit our Knowledge Base at [AmericanStandardAir.com/home-subscription](https://AmericanStandardAir.com/home-subscription).

### WHY IS INDOOR AIR QUALITY IMPORTANT?

We spend 90% of our time indoors, and 70% of that is in our home<sup>1</sup> where the air can be up to 5X poorer quality than the air outside<sup>2</sup>. So, AccuClean® utilizes patented technology to deliver cleaner air to the whole home by removing up to 99.98% of airborne particles<sup>3</sup> that pass through the re-usable filter, including 99.9% of the Influenza A (H1N1) virus<sup>4</sup>. The AccuClean® Whole Home Air Cleaner, when used in accordance with manufacturer's directions, is effective at removing a surrogate for the virus that causes COVID-19. Effective removal rate based on independent testing results using MS-2 bacteriophage, a bacteria representative of virus-sized particles like SARS-CoV-2 that causes COVID-19. This level of filtration makes it up to 100X more effective than a standard 1" filter<sup>5</sup>.

#### Certified by the Asthma and Allergy Foundation of America.

With more than 65 million Americans suffering from asthma and allergies, this certification mark guides consumers in identifying products more suitable for people with asthma and allergies. The **asthma & allergy friendly**® Certification Mark is awarded only to those products that are scientifically proven to reduce exposure to asthma and allergy triggers.

American Standard AccuClean® is verified zero ozone producing so you can breathe easier knowing your air is free from harmful byproducts.<sup>6</sup>

<sup>1</sup> The National Human Activity Pattern Survey (2001)

<sup>2</sup> U.S. Environmental Protection Agency. EPA/600/6-87/002a. (1987)

<sup>3</sup> Based on 3<sup>rd</sup> party testing of particle removal efficiency down to 0.3 microns (2005)

<sup>4</sup> As reported by airmid healthgroup in ASCR092142v2 (2015)

<sup>5</sup> Assuming <1% removal rate of 0.3 – 10 micron particles

<sup>6</sup> Verified Zero Ozone per UL 2998, Intertek Certificate #: ZOZ-90113-2022a
